Blogging	I maintain a <a href="#">blog</a> , where I'm sharing notes about topics of interest, including reinforcement learning and automated reasoning.
Volunteering	From 2012 to 2014, I've been member of a no-profit association, <a href="#">GiPro</a> , composed by young representatives of different sectors (e.g. ski instructors, engineers, lawyers, psychologists). The goal of the association is to promote the professional categories on the territory and stimulate the inter-professional collaboration of young people.
